

Terms and Conditions

By sending money to the fund for the project FIRST TIME BUYERS (FTB) produced by Crunchy Leaf Productions LTD (CLP) you agree to the following terms and conditions:

All funds sent to CLP between 30th November 2020 and 25th February 2021 for the production of FTB will be used in the production of the short film FTB.

If FTB is not completed, all funds sent for the making of FTB will be returned via the payment method in which they were sent minus a transaction fee.

The campaign in its current form ends on 25th February 2021, CLP reserves the right to extend this deadline by no more than one month.

Perks will be delivered once the campaign has closed apart from social posts which will be delivered within two weeks of donation.

By purchasing a perk, the funder agrees to give all information needed to CLP so that CLP can fulfil their order. Where correct information is not given CLP will make all reasonable effort to contact the funder for this information. If CLP is unable to make contact with the funder the money given to the campaign by the funder will be considered a contribution to the fund and no Perk will be sent.

If the funder has purchased the perk of “Downloadable link to FTB”, “Co-producer” or “Executive producer” the link to the film will be sent to the e-mail address given at checkout. The link will be sent upon completion of the film but before submitting to festivals. The funder agrees not to post FTB on any public platforms or on any social media platforms. The funder agrees not to edit the film and to use the link for private viewing only.

If the funder has chosen to “Make a Contribution” to the fund, they are not entitled to receive a perk.

By receiving these funds for the production of FTB, CLP agrees to the following dates:

FTB will be shot by **July 2021**

FTB will be completed and fully edited by **November 2021**

CLP reserves the right to extend the above deadlines. The producer can only do so if they give at least 1 months warning in writing to all funders. If funders would like to withdraw their funds as a result of the extended deadline, they must inform CLP in writing within two weeks of being informed.
